

Equipped Disciples Resource Series

3 Point Topical Bible Study

As we train and equip Christians to reach their world for Christ, requests for a simple tool to be able to study a Biblical topic is often requested. This worksheet is designed to help you take a passage of Scripture or a Biblical topic and gain further understanding. As a companion to this worksheet, you may also find our Principles of Biblical Interpretation helpful, found at EquippingDepot.org.

Topic or Heading _____

Verses _____

1. What are some main facts and statements in this passage?

2. How would I explain some words and statements in this passage to make them more clear?
(or what are some I would like to have explained?)

3. What is most helpful to me in this passage?
